

CROUP

THERE IS NOTHING that strikes terror to the hearts of parents more than to be awakened in the night by the ringing cough which accompanies an attack of croup. The child may retire with nothing but a slight cold and a few hours later the family be aroused by the ominous symptoms. Every home where there are small children should be prepared for these sudden attacks, as prompt treatment is necessary. Do not experiment with remedies of doubtful value, but get

CHAMBERLAIN'S COUGH REMEDY

that has been in use for nearly forty years and never known to fail.

Mr. Homer Krohn, of Lisbon, Iowa, in a letter to the manufacturers of Chamberlain's Cough Remedy praises this medicine for what it has done for his children. He says: "It has not only saved them once but many a time. Only two weeks ago my boy had the croup so bad in the night that had it not been for having a bottle of Chamberlain's Cough Remedy in the house he would have choked before a doctor could have gotten to the house. It is a medicine that no one should be without at any time." It is pleasant to take and many children like it.

"We guarantee every bottle of Chamberlain's Cough Remedy," says W. M. Parish, Palmerston, Ontario. "Out of the many bottles sold last winter not one was returned. We recommend it especially for children with croup. Chamberlain's Cough Remedy is famous for its prompt cures of coughs, colds and croup. When given as soon as the child becomes hoarse an attack of croup may be averted. This medicine is entirely free from narcotics or injurious substances of any kind and may be given to the little ones with absolute safety."

Attacks of croup are most likely to occur during the early winter months, and every family with young children should be prepared for it. Keep a bottle of CHAMBERLAIN'S COUGH REMEDY in your home. It only costs a quarter, large size 50 cents. Your druggist sells it.

COTTON PLANT

The Reynolds-Barco Wedding at St. Johns Church

A beautiful wedding service took place in St. John's M. E. Church South on Sunday, May 30th, 7:30 p. m. The contracting parties being Miss Hattie Barco, of Cotton Plant, and Mr. Martin Luther Reynolds of Ocala. Two hundred cards were sent out and the church which has a seating of two hundred was comfortably filled. The church was handsomely decorated. Miss Claire Bryan of Terrell presided at the organ. At 7:25 the bridal party arrived at the church and to the strains of Mendelssohn entered in the following manner: Mr. and Mrs. William McFreight Barco, Mrs. William Edwin Veal, mother and groom, Misses Rachael and Helen Veal, flower girls, Miss Carrie Barco as maid of honor entered with the bride, while Mr. William Edward Veal acted as best man, the party forming a hollow square in front of the chancel rail where the Rev. W. J. Nease, pastor of the church, in his usual impressive style performed the ceremony according to the Methodist ritual. After the ceremony the bride and groom with their relatives repaired to the home of Mr. and Mrs. C. R. Veal where ice cream and cake were served. After an hour's enjoyment the happy couple left in an automobile for Ocala, where they will be at home to their friends after July first. The bride was attired in a lovely tulle, trimmed in baby, Irish and val lace, made princess effect, and carried a beautiful bouquet of ferns, roses and lilies of the valley. The groom was dressed in a suit of conventional black. Many elegant presents were displayed. Mrs. Reynolds is a sister of Mrs. C. R. Veal, with whom she has made her home since the death of her parents several years ago. She has many friends who will miss her genial smiles and sunny disposition, but wish for her a long life of happiness. Mr. Reynolds is a man of fine physique, good character and noble qualities. For several years he engaged in teaching school, but now holds a lucrative position in Ocala. His friends all over the country wish for him and his wife success and happiness. Mr. A. M. Hunter a prominent phosphate man attended the wedding and visited friends in Cotton Plant who are always glad to see him.

Mr. and Mrs. L. C. Bell of Dunnellon visited the parents of the groom at Cotton Plant on Sunday and attended the Reynolds-Barco wedding. "Buckshot" Williams, conductor on the Ocala and Homosassa run is making improvements on his bear ranch. T. W. Simpson is doing the work.

Miss Claire Bryan of Terrell, spent several days in Cotton Plant assisting in the wedding preparations. She has many friends here who are always glad to see her.

Messrs. Harley and Pat Reynolds of Lynne attended the wedding Sunday.

BELLEVUE

The Masonic lodge held a meeting on Saturday night of last week and about forty-five members were present. Several from the Levon section were over. Mr. Hightower of Heather Island, and we noted the following from Ocala: Mr. Gottleb, Mr. Judd, Mr. McGahagan, Mr. Bouvier and others we did not learn the names of. All enjoyed the moonlight ride down in an automobile. Rev. McCloud of Jacksonville was also present. Five members were given the third degree on that night and a supper was also served by the members of this lodge, which consisted of sandwiches, all kinds of crackers and hot coffee, and it was enjoyed by all present.

The Bellevue baseball team played with Levon on Saturday, and it was a very interesting game in favor of Levon. We all had a good time, especially those who went on the straw ride. The following are the ones who went to Levon in the wagon on that night and a supper was also served by the members of this lodge, which consisted of sandwiches, all kinds of crackers and hot coffee, and it was enjoyed by all present.

Several other buggies went over, some of which were: Mr. Jean Handison and sister, Mrs. V. D. Pratt and Mrs. M. A. Dudley, Miss Edna Nichols, Mr. R. C. Ridge, Raymond and Frank Gale, Rev. Nichols, Mr. Edgar Peot and Harry Baxter, of Candler, who was a valuable pitcher in the game on the Bellevue side, to whom the Bellevue boys extend thanks. The game resulted in Levon winning, but it was a very interesting game and greatly enjoyed by all.

Mrs. J. A. Freeman left Sunday for Citronelle to spend a week with her husband, who is working there.

Mrs. Ridley has just had her fence newly painted, which add greatly to its appearance. Josh Johnson did the work.

Mr. Jack Freeman, brother of Mrs. J. A. Freeman of this place, came up Sunday on the train from Oxford and spent the night, going on to Shady Grove Monday morning.

Melon shipping is the order of the day now. Several carloads will leave here this week.

The Baptist ice cream supper on Friday night was largely attended and greatly enjoyed.

BIRDS EYE VIEW OF CHRISTIAN ENDEAVOR WORK

(Continued from last week's paper.)

The campaign banner was earned by Northeastern district, gaining five societies, and will be cared for by the energetic Pomona workers.

About half of the state officers left Florida during the year, and several departments thus were neglected state officials. The secretary gave about a third of her time to press work, having space in about eighteen Florida newspapers, averaging twelve articles printed each week. The editors and local reporters have helped us much in putting news of our great organization before the readers of Florida papers.

One general plea for undenominational causes was sent out from Interlachen and numerous mentions made in press space. Endeavorers give generously for varied benevolences, but we cannot give statistics of amounts given for any special cause.

The Quiet Hour and Tenth Legion superintendent, Rev. M. G. Richard left us for a northern state, and as no one was appointed to fill his place little was done in business like matters in these important ways of growing in Christian Endeavor life as individual workers. District superintendents await the choosing of a state leader in this convention, and the work will then go on more rapidly in the year closing.

Citizenship superintendent, Rev. Hanscom outlined a monthly course of study in his important branch of state progressiveness. This was printed on the mimeograph to be posted on the wall of prayer meeting rooms. Mention each month was also made in press news and the state songs sang at the district conventions. The correspondence, or as it is now called in other states, "Instruction Department," has received some attention by the secretary, but not near all it deserved. In close connection with this plan for unselfish endeavor service comes the "Sunshine Corner." Greetings have been sent into almost every state and Provincial Union, as well as in our own home land, Florida. The work has been of great comfort to its superintendent, but what was its results otherwise cannot be estimated.

The leader of Memorial Home Activity, Miss Cora L. Peet, was one of the officers to leave us, whose place was never filled. But several reminders have been sent out and the contributions larger than in some years.

BUSINESS STATIONERY

The quality you want, and that's always dependable, brings good results. A business is often judged by its stationery—if we've supplied yours there'll be no cause for uneasiness over the verdict. The pocketbook argument of our supplies is as unanswerable as our quality is unassailable.

A NOBLE RECORD

Of many hundreds of cures forms a well sustained basis for every claim put forth by the makers of DR. PIERCE'S GOLDEN MEDICAL DISCOVERY as a remedy for many of the troublesome affections which afflict mankind; yet it is not extolled as a "cure-all" by any means. No extravagant promises are flaunted before the public to arouse false hopes in the afflicted. Your neighbors probably know of some of its many cures; ask them.

Through strengthening and arousing the stomach, liver and bowels into vigorous action, digestion is promoted, whereby the blood is enriched and purified, disease-producing bacteria destroyed and expelled from the body, and thus a long list of skin, scrofulous and kindred affections are overcome and sound, vigorous health established.

The "Discovery" contains no alcohol and no habit-forming drugs, and has its every ingredient printed on its wrappers. This OPEN PUBLICITY places it in a class distinct from the ordinary secret nostrums with which it has no relationship. Physicians, therefore, do not hesitate to prescribe it in bad cases of indigestion, torpid liver or biliousness and in skin and blood affections. People of intelligence and keen discernment employ it. The "Discovery" is a pure glyceric extract of native medicinal roots of great curative potency, and can in no case do harm to either child or adult. The aged find it a great invigorator.

You can learn more about this time proven and popular "Discovery" from the People's Common Sense Medical Adviser, by Dr. R. V. Pierce, a newly revised, up-to-date edition of which is now offered, in cloth covers, post-paid, for 31 cents in one-cent stamps, to cover cost of mailing only; or in paper covers 21 cents. Surprising, What Kodol Will Do

For you, when you need it. But the longer you neglect indigestion, the more you will suffer before Kodol can restore Good Digestion.

And, of course, indigestion if neglected long enough, brings on serious diseases in which Kodol cannot benefit you. Some of these there is no help for at all.

There are, in fact, very few ailments which cannot be traced directly to impure blood. And impure blood is always due to a disordered stomach.

Use Kodol and prevent Nervous Dyspepsia.

Kodol will effectively assist Nature to secure a complete restoration of good digestion. It does this by at once digesting all food in the stomach and keeping it digested, until the stomach is rested and can resume its own work. Kodol removes the cause—and the effect quickly removes itself.

When it is recalled that Apoplexy, Heart Disease, Cancer—and even Consumption—are due to poor digestion and poisons thus transmitted to the blood, and throughout the system—the importance of maintaining good digestion is at once realized.
